

**Kairos Weekend Talks (Choices) Theme - Talk #8 - You're In or You're Out**

Jesus saw his kingdom, his mission, as so all-encompassing that it forced a decision from everybody. One was either in or out.

Scripture: Mark 12:30  
John 13:35  
1 Corinthians 13:13

Speaker: What is it about Jesus that caused me to make a decision; to realize I needed a major change in my life?

Question: What are the advantages/disadvantages of deciding to become a disciple of Jesus Christ?

Note: Please caution Team members not to use this question to try to force anyone into any kind of decision. Forced decisions tend to have very shallow roots.
