

Ordering Downloadable Ezra

The Weekend Leader orders Ezra on-line directly into the ministry's order system at: www.kairosmessenger.org/EzraOrderForm

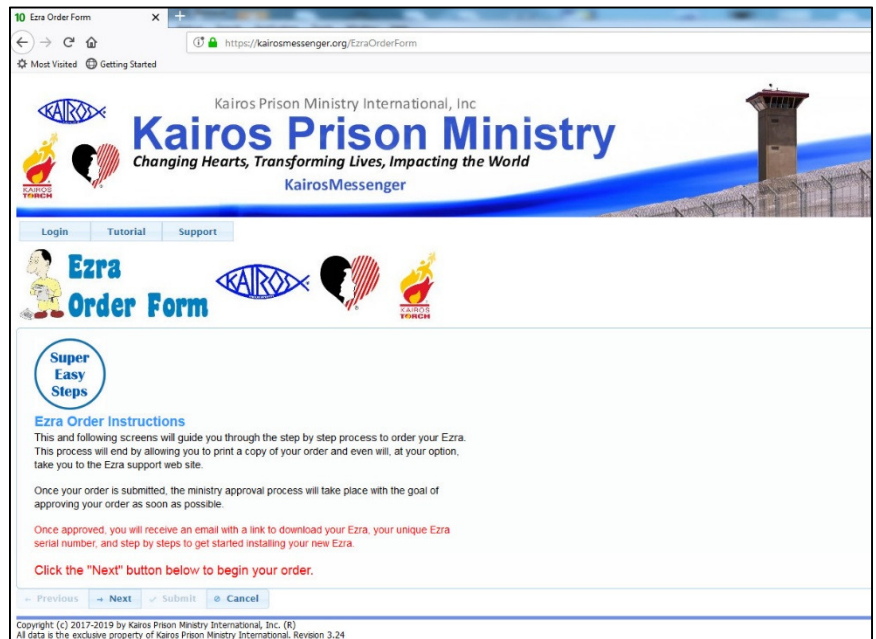

That gives the authorized Weekend Leader access to the Ezra ordering process.

Simply follow the on-screen instructions and enter the requested information

The super easy steps will guide you through the on-line order process.

Make sure your email address is correct!

Finalize your order by clicking the "Submit" button.

Once you've submitted the order:

- The Kairos office will conduct the review and approval process with your state*.
- Upon approval, you will receive an email from EzraOrder@kpmi.org with a link to allow you to download your authorized, updated copy of Ezra. The email will also contain installation directions and your unique Ezra serial number which you will need to install Ezra.

Since different web servers handle downloading files differently, the instructions cover the steps for the most popular web browsers to assist you.

It is a requirement that your computer running Ezra have an internet connection.

NOTE: There is no CD, DVD, or Flash Drive as you will be downloading your authorized Ezra online.
