

Coleman # 1 Food Guidelines

Sunday evening

Snacks:

Rice Krispie Treats

Note: There are 56 treats – let everyone have one and then offer them seconds. Make sure that none of the inmates take any of the treats from the chapel.

For the Weekend all the paper goods, garbage bags, utensils, ice etc. are being provided by Coleman – so ask for what you need.

Monday, Tues. and Wednesday:

There are **snacks** for the morning and the afternoon. The snacks are marked for when they should be distributed.

No snacks can leave the Chapel – give everyone one snack and then when they eat that one offer another to the inmates first...

Lunches

Follow safe-food handling measures.

Wear gloves when handling all unpackaged food.

Don't let any food that is not packaged sit around.

Monday

Chick fil A

52 box lunches will be delivered – the boxes have a sandwich, a bag of chips, and a cookie. Give everyone a box.

There will be an additional 30 sandwiches in the order.

If the inmates want a second sandwich there is an additional sandwich for each of them.

There will be an additional 12 extra sandwiches if the inmates all receive a second sandwich – more if they all don't get a 2nd one – the extras can be offered to volunteers, but all leftover sandwiches after the inmates and volunteers have had 2nds – must be given to the Chaplain – he will deal with the remaining extras

Tuesday

Marco's Pizza

20 pizzas will be delivered. That allows for approximately 4 slices of pizza for all the volunteers and the inmates. Pepperoni, Cheese and Deluxe pizzas are coming as well as a veggie pizza.

I would start by giving everyone 2/3 pieces and then give them more as they want it. Once the inmates and the team have eaten all they want – give the leftovers to the Chaplain. He will determine what happens to the extra.

Wednesday

52 Chicken dinners will be delivered

18 will be a ½ chicken, and the remaining will be a ¼ chicken dinner

Extras should be given to the Chaplain.

Ensure that the inmates consume their meals at lunch – they cannot let food sit around. So if they don't eat something they can't save it for later or save it to take out of the Chapel. You must collect all the food at the conclusion of lunch

Cookies

There is a bag of Famous Amos Cookies for each inmate– give them to them as they leave Monday evening, and Wednesday after closing.

On Tuesday they get 2 bags – one is for them, and one bag for the person they hold in unforgiveness

Do not give them cookies on Sunday when they leave

Volunteers cannot share any part of their meal with inmates - the inmates can share with each other.

Drinks:

Coffee

Lemonade and Tea

Water

On Sunday only serve coffee, water, and lemonade

****Mix the lemonade and tea in the cooler that the institution will supply – they are also to provide ice and cups for the drinks.***
