

A Word For Life

Talk Sheet

You Have Options

Introduction:

Whether we like it or not, God has made us to have free will, which means we have options. One thing we have to learn and understand is that choices always have consequences, and some are positive while others are negative. We must learn the Scriptures, see what they say, and make the decision whether or not we follow them.

Talk Points:

- God has made us distinctive in our creation. We have _____.
- Choices have _____.
- What habits, good or bad, have you developed in your life? What habits should you think about changing?

Things To Ponder:

- If we keep making the same bad choices it quickly becomes habit that is hard to break.
- God gives us new mercies with each new sunrise and the opportunity to make new and better choices.

Apply What You Heard:

What choices can you make in your life that will lead to positive results?

Reflect:

The Lord loves us very much. So we haven't been completely destroyed. His loving concern never fails. His great love is new every morning. Lord, how faithful you are!
