# I've Got Good News

Introduction:

Many people look at the Bible as a list of do's and don'ts and think that if you do more good than bad you will get to heaven. But that is NOT the Good News of the Bible. The Good News of the Bible is God's free gift of salvation and only through that can you be saved and go to heaven.

### Talk Points:

- The gospel is the good news that who has come? \_\_\_\_\_
  - How much does God's gift of salvation cost? \_\_\_\_\_
  - What good news have you received in your life? How does it compare to knowing the good news God has sent? \_\_\_\_\_

### Things To Ponder:

- God's message isn't do better and He will like you. He loves you so much He sent His only Son, Jesus, to die in your place.

### Apply What You Heard:

How does knowing that salvation is God's free gift change the way you act and look at life?

### Reflect:

*Brothers and sisters, I want to remind you of the good news I preached to you. You received it and have put your faith in it. Because you believed the good news, you are saved. But you must hold firmly to the message I preached to you. If you don't, you have believed it for nothing. What I received I passed on to you. And it is the most important of all. Here is what it is. Christ died for our sins, just as Scripture said he would. He was buried. He was raised from the dead on the third day, just as Scripture said he would be.*
