

# A Word For Life

## Talk Sheet

---

# *More Than Survive*

Introduction:

Any times in our lives we feel like we are surviving. Just trying to make it through the day, week, month, or year. But God wants us to thrive in Him. He wants to work in our lives, for us to have faith in Him, and to walk in communion with us as we live life. Only through Him can we really thrive.

### **Talk Points:**

- To thrive is a \_\_\_\_\_. It's an attitude, and your ability to thrive in the world is deeply connected to the \_\_\_\_\_ you take daily and what you believe.
- Just like God promised to Joshua and Caleb, His \_\_\_\_\_ to thrive can be ours.
- Do you see problems as a roadblock or opportunity?

### **Things To Ponder:**

- Two humans in the very same circumstances can have two very different ways of reacting.
- The spies Moses sent to survey the Promised Land were only supposed to present a scouting report, not get permission for the mission.
- Joshua and Caleb believed what God had promised and that is all they needed to know.

### **Apply What You Heard:**

How can you not just survive but thrive?

### **Reflect:**

*The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.*
