- Please pray for my brother, Steve, that he would be saved. I have conversed with him about Christianity the past several years and he is always very open to what I have to say. In that sense, I've always viewed him as a "son of peace" (Luke 10:6 ESV), confident that the Holy Spirit will convict him of his need for a Savior. I've given him several books over the years, responding to what I thought his objections were. He says he has tried to read them, but that he "didn't get it" and so stopped reading before finishing. (He is a very smart man, so the reason he didn't understand was likely not due to lack of intelligence, but perhaps due to lack of motivation or the Lord not having yet removed the veil (2 Cor 3:16).) This past December, I sent him a contemporary-language Bible. He was very receptive and promised to start at my suggestion, with the gospel of Mark. I am hoping and praying that this is the time the Lord has chosen to save Steve and would ask that you would pray with me. Thank you very much.
- Please pray for 23-year-old Joel to be saved and to become very hungry for God's Word and for intimacy with God. For him to be SET FREE FOREVER FROM DEPRESSION,

ANXIETY AND FROM SUICIDAL THOUGHTS!! For him and his Mom Simone to be blessed in their relationship.

It is a sad situation, but he is in heaven living with Jesus Christ. So that part is wonderful. He was a great man and mentor to many of us new Kairos people. He will be greatly missed.
- Please lift my brother Allan and his wife, Trudy, in prayer. He has Alzheimer's and was recently diagnosed with COVID. His wife is his sole caretaker, and her endurance and patience are stretched pretty thin. Pray for quick and complete healing for him and patience and continued endurance and good health for her. Thank you, powerful prayer warriors.
- Help Richard find financial freedom. He is in financial ruin, show him the next steps through his financial struggle. Soften his ex-wife, children, and families' hearts. Protect him from the enemy and those that seek to destroy him. Keep him out of prison. Redeem him. Help him find direction and purpose, and a way to make a living. Give him deliverance out of his current circumstances. Help him find Jesus and to know Jesus as savior. Help him to see that God is at work in his life. Deepen his faith in God every day. Show him Jesus is his strength and refuge. Lift him up when he is weak. Show him Jesus' light, peace, love, and joy. Boldly ask for victory in Christ and let his testimony and witness help many.
- Brothers and Sisters in Christ, I am Rose Mary Pena, Kairos Outside of San Antonio Chair. On October 31, 2021, I lost the most precious jewel of my life. My mother, Odelia Diaz Pena, was and always will be my diamond. My mother had a fall back on September 2019. Shortly after, she was placed in rehab but never gained her full strength back. Mother was sent home and things got difficult. I made the decision of quitting work to be able to move in and assist 24/7. My mother eventually was placed on hospice care. The nurses were truly a blessing and she did decide she was a DNR. My job and theirs was to make sure she was comfortable, clean and happy at all times. Mother loved to assist me with either embroidering a cross on a cloth for our Weekend or simply having Dad make keychains for the weekend. It was with great honor and a lot of love and dedication that our Kairos sisters, who are musical would come and play at her bedside. I ask you as a family of much phenomenal support, to pray for me and my family so that my dad has the strength to live to his last days. In advance, I would like to thank each and everyone for all the efforts put into a Weekend, an agape, a reservation, etc. I could not be more blessed than to be part of Kairos Prison Ministry. I was abundantly blessed by the presence of our sisters at my mother's memorial service. The music left such an impression on all our visitors and that's what Kairos is all about.

- Hello Kairos Family. My loved one has been locked up for 12 long years. I need prayer that he gives me discernment and strength to make the right decision. Your word is powerful and true I trust you. I pray that you send me your saints for guidance because I know that time is near, and I want to be strong for those who are lost and lonely.
- I pray for pastors and the online worship that for now seems to be the new normal. It is difficult to reach out without seeing a face sometimes. Hard to see the pain in their body language and in their eyes. Forgive us if we miss that. Understand, Pastors miss their flock and are doing their best to stay connected.
- Of course prayers for all those affected by this Covid-19, which is pretty much all of us in one way or another. I have great concerns about the unborn children facing the horror of abortion and for their family.

- I am so blessed to have my Kairos Family to turn to. I am Rose Mary Vega, KOSA Chair requesting a diligent prayer for the staff of our Prisons. My daughter, Veronica, is a nurse at the Prison in Beeville. She is dedicated to her job and surprisingly shows very little emotions. She has 7 children; however I only take care of her three little ones since schools have been closed. Watching the necessity of continuous washing of hands and not allowing herself to contaminate what goes in or out of the Prison, is a great challenge. I am extremely proud of the motto she lives by: WWJD. Our conversation is limited to prayer, confidentiality is a must. She travels to work for the three days she is on shift and this single mother is missed tremendously by her three little ones. I explain to my grandchildren that we have taken life for granted. When we must keep quarantine due to my elderly mother whom I care for 24/7, it has brought me back on my knees. Please come in agreement, that as I pray at 8, 12 and 8, we include the staff and their families, along with my Son who is a brother in white. I pray that Kairos shine in the Prisons through them. That they be empowered to carry out the mentoring, until this season is over. Thank you for loving the KAIROS MINISTRY.
- Pray for the incarcerated people who will have even further visitation restrictions. Pray for the COs and the prison staff for their safety and endurance through this time. Pray for the families impacted by incarceration and who already may have limited resources. Pray got God's grace to be known. Pray for all of God's ambassadors to be salt and light during

this time. Pray for those ministering to others. And pray for healing of this planet both for those with illnesses but more importantly for God's Holy Spirit to shine like a beacon.

- Pray for wisdom and confidence for Christians in leadership positions.
- Barbara Teats serving with VCCW has just been diagnosed with COVID-19. Terry Brennan serving with Buckingham is in the hospital with pneumonia. Testing to see if this has affected his heart.
- For me Lisa McCulloch Taylor: Lane Murray TX volunteer: I was diagnosed with breast cancer last week and having an MRI on Monday. Lots of tests and doctors visits to come before surgery can be scheduled. Hard to get it all done with DFW in lock down. Pray I can get through this, that they won't find it anywhere else, and that the surgery can be done soon as possible. Will be at least be looking at radiation treatment hope no chemo is necessary. I'm working from home part time and have good Insurance but it's still very expensive. Praying for God's provision. What a time for this to happen. It is well with my soul but I need my husband to be ok too! Hopefully everything will get back to normal and all the sick peoples in the world recover and this will be no big deal. Nothing is too hard for God. Thank you for praying. I know my brother's and sister's prayers avail much! Lisa
