

# Until We Come Back

## Talk Sheet

---

# *A Sea Called Forgetful*

Introduction:

Sin is something we can't seem to get away from. However, for those who ask forgiveness for their sins, God tells us that He forgets our sin. What a comfort!

### **Talk Points:**

- \_\_\_\_\_: one who has not yet made amends to whom he has injured.
  - Actions that \_\_\_\_\_ + \_\_\_\_\_ it's caused = \_\_\_\_\_
  - If we hold onto an offense done against us, are we walking in forgiveness?
- 
- 
- 
- 

### **Things To Ponder:**

- God is deeply concerned about our personal relationship with each other and wants us to fix grievances we have with each other so He can fix the grievance He has with us.
- Forget what hurt you but never forget what it taught you!
- God takes our sin and renders it powerless over our lives and tosses it to the bottom of the sea.

### **Apply What You Heard:**

Who do you need to fix grievances with? How can you do that? (Don't forget to include God and yourself.)

### **Reflect:**

*Once again you will show loving concern for us. You will completely wipe out the evil things we've done. You will throw all our sins into the bottom of the sea.*
