

# Until We Come Back

## Talk Sheet

---

# More Than Conquerors

### Introduction:

Being alone is easy. It is simple. You don't have to think about anyone else but yourself. However, God told us it is not good for man to be alone. We were made to go through life with others who will help encourage and equip us. Who love us enough to tell us the truth, even when it hurts. Jesus is doing ministry all around us and invites us to be a part of it.

### Talk Points:

- Creation parallels life to show us \_\_\_\_\_ are formless void and in chaos until God brings us \_\_\_\_\_ and \_\_\_\_\_, beauty and order through Jesus.
- In the process of calling us into the \_\_\_\_\_, Jesus changes the impure and the shameful into pillars of \_\_\_\_\_ and \_\_\_\_\_.
- How do you see Jesus doing ministry around you?

### Things To Ponder:

- God begins His creation by making something dark and empty. Then he says "Let there be" commands. He doesn't want us to live in darkness and chaos.
- A great definition of thrive: To live in the light.
- If God is to use us to help others thrive, we have to live in community and not in isolation. We thrive by being in relationship with God and with others.

### Apply What You Heard:

In what ways can you embrace being a part of a community?

### Reflect:

*But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of Him who called you out of darkness into His wonderful light.*
