## **PREAMBLE**

The Chief Executive Officer (CEO), also known as Executive Director within the ministry, is accountable to the Board of Directors for the actions and performance of the State Chapter Committees. This includes compliance with ministry administrative and program policies, and guidance. The chain of command runs from the Board of Directors to the CEO to the State Chapter Committees to Advisory Councils. For checks and balances, State Chapter Committees representatives form the majority of the International Council (IC) that operates in a partnership with the CEO. This document sets forth the procedural guidance for directing the activities of the International Council.

### **I. Responsibility.** The International Council shall:

- A. In partnership with the Kairos program staff, advise and assist the CEO in carrying out responsibility for supervision of the ministry programs.
- B. In partnership with the CEO, and the Kairos program staff, shape the programs of the ministry that have been approved by the Board of Directors.
- C. Assist the CEO in ensuring that the policies of the Board of Directors are complied with.
- D. Advise the CEO on ways to enhance communication within the ministry.
- E. Elect the Board of Directors so that its composition complies with the Bylaws.
- F. Ratify the Board of Directors annual appointment to the Board.
- G. Ratify the Board of Directors selection of the CEO.
- H. Provide advice to the Board of Directors on the Mission, Vision, and Strategic Plan.
- I. Represent their state or country in matters coming before the International Council as appropriate. It is important that International Council Representatives take those issues and gain input from the State Chapter Committee to vote according to their state's needs. International Council Representatives also represent all programs that operate in their state. This may require some additional familiarization with other Kairos programs.
- J. Represent Kairos in their state or country, ensuring that policy, procedural, and program directions are shared.
- K. Serve as a leadership resource to the ministry to help resolve issues related to the spiritual, operational, and financial health of the ministry.

**II. Expectations.** The International Council does not govern or direct the activities of any other level of the ministry; however, its actions impact State Chapter Committees and Advisory Councils. International Council members:

- A. Help the State Chapter Committee ensure that the programs are running properly.
- B. Uphold and represent the Bylaws, policies, program manuals, and procedures of the ministry.
- C. Prepare for elections by reading the nominee profiles and making informed decisions.
- D. Assist their State Chapter Committee and Advisory Councils in inspiring ministry excellence.
- E. Know and utilize the Kairos Mission, Vision, Core Values, and Statement of Faith documents.
- F. Attend all International Council meetings and training sessions (100 percent, extenuating circumstances excepted).
- G. Serve on International Council committees/task forces during their term of service.

### **III. Composition**

A. **General.** The International Council is composed of:

- 1. International Council Representatives who are elected in the US as per State Chapter Committee Operating Procedures. International Affiliates elect one representative for every 15 (or fraction thereof) Advisory Councils.
- 2. At-large International Council members elected to balance program representation if any Kairos Program is disproportionately represented by more than 15 percent on the IC. The CEO shall provide the Chair of the Governance Committee the necessary information as reported by State Chapter Committees to make this determination annually. The Governance Committee in consultation with the IC President will decide the number needed, recruit, and nominate them. If for any reason a program is not represented on the International Council, one at-large member will be elected representing that program.

B. **Officers of the International Council.** The International Council will elect a President, a Vice President, and a Secretary, each of whom will serve for two years and can be re-elected to serve an additional two-year term, provided there is a corresponding number of years remaining on their term of service on the International Council. If officer term ends in the State, they will continue to serve as the officer through the next Annual Conference, as a non-voting member, until new officers are elected.

They may not serve more than two consecutive terms (6 years) as International Council member for the State. The person may serve before or after their International Council tenure (up to 6 years) in different roles of the State Chapter Committee not to exceed 9 years cumulative on the State Chapter Committee. Any International Council member filling a vacancy would serve the balance of that calendar year, would start their first full year term at the beginning of the next calendar year, and would be eligible for a second three-year term. At-large International Council members also follow these terms of service.

#### **IV. Vacancies.**

Vacancies in the International Council shall be filled by a simple majority vote of the applicable State Chapter Committee or International Affiliate at the next meeting after the vacancy occurs. No Program element representation need be taken into account when filling these vacancies. The new International Council member will be seated immediately and will complete the remainder of the year for the International Council member they are replacing.

#### **V. Removal of International Council Members.**

- A. At any regularly scheduled or special International Council meeting, any one or more of the International Council members may be removed by a two-thirds majority vote of the total IC membership. At the International Council President's discretion, the impacted person will have an opportunity to speak on his or her own behalf.
- B. The removal procedure above does not negate the authority granted to the CEO in the Kairos Bylaws.
- C. In the event an International Council member fails to attend two consecutive meetings of the International Council, (see Section II, F), a panel consisting of the International Council President, Vice President and Secretary will meet, hear evidence concerning the circumstances and decide whether or not those circumstances are considered extenuating.
