

# GOD'S SPECIAL TIME

Kairos Prison Ministry E-Newsletter

April 2025

## It's All Ministry

As Easter approaches, we are reminded of the incredible love and sacrifice of Jesus Christ.

John 3:16 *"For God so loved the world that he sent his one and only son that whoever believes in him shall not perish but have eternal life."*

He came to save the world. Easter is a special time to reflect on his death and resurrection. He did it all for us – you and me!

As Christians, we are called to share His message, and we are blessed to be able to do so through Kairos. As we carry out our mission, we see the Lord changing people right before our eyes. They start to walk the journey of faith and learning about His love and forgiveness. They grow through Continuing Ministry and have accountability groups to help them navigate life's challenges.

No matter your role in Kairos, you are a part of God's kingdom work - sharing the story of Jesus Christ, His deity, His death, and His resurrection. **It's All Ministry** as we are serving our Lord as we are sharing our lives with each other and those impacted by incarceration. He has called you and me to be a part of this great work. Let's carry it out with excellence as we are working unto the Lord.

Colossians 3:23-24 *"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving."*

Happy Easter! He Has Risen!

Blessings,

Evelyn Lemly, CEO

## Start a Prayer Vigil for your Upcoming Kairos Weekend

The preferred website for Kairos Prayer Vigils is [www.prayervigils.net](http://www.prayervigils.net) which allows for 30-minute timeslots that cover your Kairos Weekend in its entirety. It also has a feature for gathering agape, where others can upload agape and everyone registered to pray will receive it. Prayer vigils are a great way to engage the community and other church-goers to take the first step with Kairos in praying for a half-hour, which can lead to more involvement later on.

**Ensure your upcoming Kairos Weekend is registered, send out invitations and cover your Weekend in prayer while also receiving agape!**

# Removing the Mask: How Kairos Torch Leads Youth Toward Authentic Living

In a world that often demands performance over authenticity, many youth, especially those who have experienced incarceration, learn early how to hide. Behind their smiles, silence, anger, or bravado, they wear masks not for fashion, but for survival. Kairos Torch, a Christian mentoring program aimed at incarcerated and at-risk youth, understands this reality. Through a powerful dynamic known simply as “The Mask Exercise,” Kairos Torch gently but profoundly invites young people to remove their masks and rediscover who they really are.

## Why Masks?

Masks are symbolic of the emotional armor we wear to protect ourselves. For youth who have been hurt, rejected, or neglected, this emotional shielding becomes a way of life. It may begin in childhood; being told to “be strong,” “don’t cry,” or “man up.” Over time, confusion, pain, and fear get pushed deep inside, hidden behind masks of anger, humor, confidence, or aloofness. These personas are not expressions of truth, but survival tools. Yet, as Kairos Torch shows, what once protected them eventually imprisons them.

The effects of incarceration only reinforce the need for these masks. Studies show that youth in detention quickly learn to hide emotions in order to appear strong and unbreakable. Vulnerability becomes dangerous, and emotional expression feels like weakness. When released, many remain emotionally hardened, disconnected not only from others, but from their own identity and potential.

Kairos Torch responds with a powerful invitation: *Get Real*. The Mask Exercise is not merely a symbolic activity, it is a turning point. During the Kairos Torch Weekend, youth are invited to create a physical representation of the mask they wear most often. Whether it reflects anger, indifference, toughness, or even forced religiosity, the process of making the mask becomes a mirror. Each participant explains their design, revealing more about themselves than they may have shared in years.

But the journey doesn’t end with the making. These masks are later surrendered to God in a sacred Forgiveness Service. This act of letting go, placing the mask into the “God Box,” is deeply spiritual. It represents a personal decision to drop the facade and begin the work of healing. In the light of God’s love and surrounded by acceptance from Christian mentors, the youth begin to embrace vulnerability, honesty, and ultimately, transformation.

Why does this matter? Because living behind a mask hinders more than relationships, it stifles purpose. When we hide our true selves, we also hide our God-given gifts and talents. Kairos Torch believes that each youth was created for a purpose, and that purpose can only be fulfilled when the masks come off.

Removing the mask opens the door to authenticity. And when youth begin to “get real,” they start to reconnect with the very talents, dreams, and passions they’ve buried. Through ongoing mentoring relationships, Kairos Torch helps youth not only heal but grow—encouraging them to use their gifts to serve others, make better choices, and change the course of their lives.

As is stated so poignantly in “Get Real’: ***“Please listen carefully and try to hear what I am not saying... I wear a mask. I wear a hundred masks. And none of them is me.”***

# New “Get Involved with Kairos” Recruitment Videos

Use these [three new videos](#) for each of our Kairos Programs to supplement your volunteer recruitment efforts. Each video is created to explain the program and it’s impact through the testimonies of volunteers and the Participants and Guests who are involved with the programs. These videos are each about 3 minutes long and great to use in showing to those in your life who would be good candidates to volunteer for Kairos, or they can be used to show in your church or other places where you are presenting on Kairos. Take this opportunity to utilize these videos to improve your volunteer recruitment so we can expand our ministry! [View and download these and other videos.](#)

# Watch our 2024 Annual Conference Speaker Testimonies

The Annual Conference was an incredible gathering of over 500 Kairos volunteers who joined together for a weekend of prayer, celebration, learning, and comradery all in the spirit of furthering the mission of Kairos. One of the highlights of each Conference are Kairos testimonies shared during the evening General Sessions.

Each of the Kairos guest speakers is available to view by clicking the thumbnail above or by visiting our [Annual Conference video playlist](#). Watch and share these unforgettable testimonies of how Jesus changed the lives of not only of the speakers, but of their families, friends, and others inside prison. These testimonies are wonderful recruiting tools and a great reminder of this year's theme for Kairos, *It's All Ministry*.

## Kairos Institutional Liaison Training

The Institutional Liaison for each Kairos Inside and Kairos Torch Advisory Council is especially important. # Donate Appreciated Stock Directly to Kairos

Did you know that you can donate appreciated stocks directly to Kairos instead of giving a cash gift?

The benefits are twofold; one is that you avoid paying capital gains tax on your earnings, which is usually around 15-20%. As a non-profit Kairos does not pay capital gains taxes. The other is that *you can deduct the entire amount of your stocks value at the time of your donation from your taxes.*

To learn more about how you can donate stock to Kairos, please email [legacy@mykairos.org](mailto:legacy@mykairos.org).

## Kairos Featured on Inside the Walls: A Bent Christian Podcast

Kairos Prison Ministry was recently featured on a podcast episode of “Inside the Walls: A Bent Christian Podcast” as the host, Cliff, was on a Kairos Inside team on a Weekend. As a long-time Kairos volunteer he effectively speaks about the impact of Kairos and especially the Kairos Cookies and how important the cookies and the ministry as a whole are to the entire prison population This includes running into an inmate who happened to go through the #1 Weekend of Kairos at Pendleton Correctional Institution over a decade earlier, who had his life profoundly changed. He went to Kairos just for food and a change in his routine and came out a changed man. He went on to go through college and get a Bachelor’s degree in theology, a Master’s in divinity, and a Doctorate in teen counseling. Watch or listen today!

## Requesting a Certification of Insurance

Requests must be made to

[kimberly@kpmi.org](mailto:kimberly@kpmi.org) at least 10 business days prior to your event. Not everyone that meets at a facility will need a certificate of insurance. Most meeting places carry certificates of insurance for use of their facility. Kairos Prison Ministry’s certificate of insurance is only available to our volunteers taking part in Kairos Prison Ministry sponsored activities and events.

Information needed is:

- The exact legal name of the facility or venue.
- The address of the facility (not a PO Box).
- The dates that Kairos will be using the facility or venue.

## KairosDonor Training

## Order Prisoner to Prisoner Devotionals for 2025-26

Consider ordering Prisoner to Prisoner devotionals (also known as P2P), the only devotional written by prisoners for prisoners. This uniqueness makes it more than a devotional, but a written account of the lives, experiences, and heartfelt feelings of those who are incarcerated, making for unique and relatable content.

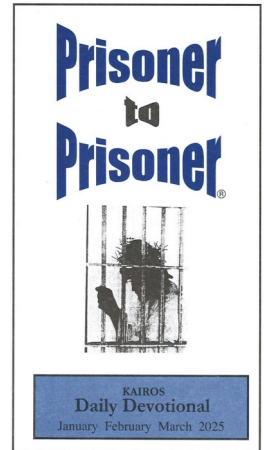

This quarterly devotional is perfect for ordering to distribute to your church, Christian friends, or directly to the prison chaplain in your area. Orders can be recurring or one-time. Ask your Advisory Council to order via the [Kairos supply order form](#) by the following dates:

**4/21/25 order deadline for the July/August/September Issue**

**7/21/25 order deadline for the Oct./Nov./Dec. Issue**

**10/25/25 order deadline for the Jan./Feb./March 2026 Issue**

*Postage for P2P will be calculated at the time of shipping.*
