Recruitment - It's Important

At Kairos, we all know our programs are powerful, and they work! We see our Lord's blessings on this ministry every day, and we know we're making a real impact. But we also recognize a pressing need: more volunteers to help carry out the calling we've received—to share the transforming love and forgiveness of Jesus Christ.

We often think, "How do we get more volunteers?" The answer is simple: we ask. We invite people to join us. We share our own experiences—how we've witnessed God at work and the lives that have been changed—and we extend the invitation. But there's a key part to this: we have to get in front of people, we have to show up. Tell your story, and invite them to witness God's miracles firsthand.

An encouraging report on volunteerism in America was recently released. It revealed that between 2021 and 2023, the U.S. experienced the largest increase in volunteers in over 20 years. In fact, in 2023 alone, volunteerism rose by 28.3%. This tells us that people are actively looking for ways to serve and we have an incredible opportunity to welcome these potential volunteers into our ministry.

Let's challenge ourselves to seek out new churches and Christian communities, places we haven't yet visited and those we may need to revisit. Let's share with them the opportunity to serve in a mission field right in their own backyard: ministering to the incarcerated and their families. Future Kairos volunteers and leaders are out there, we just need to ask.

Blessings,

Evelyn Lemly, CEO

2025 Kairos Annual Conference

Augusta, Georgia
July 23-26, 2025

Start a Prayer Vigil for your Upcoming Kairos Weekend

The preferred website for Kairos Prayer Vigils is www.prayervigils.net which allows for 30-minute timeslots that cover your Kairos Weekend in its entirety. It also has a feature for gathering agape, where others can upload agape and everyone registered to pray will receive it. Prayer vigils are a great way to engage the community and other church-goers to take the first step with Kairos in praying for a half-hour, which can lead to more involvement later on.

Ensure your upcoming Kairos Weekend is registered, send out invitations and cover your Weekend in prayer while also receiving agape!

I Wish They Really Knew

Last week, I received an email from a dedicated volunteer chaplain who posed a heartfelt question: “Why can’t I serve in Kairos Torch at the same facility where I volunteer as a chaplain?” As I read their message, I felt a gentle prompting—this wasn’t an exchange that could be resolved by email. I picked up the phone, expecting a brief five- to ten-minute conversation to explain the policy and its purpose. What unfolded instead was a rich, deeply moving conversation that lasted over an hour—one that left me not only informed, but truly inspired.

Within the first ten minutes, the chaplain understood the reasoning behind the practice. But as the conversation continued, something powerful began to happen. She shifted from seeking answers to sharing stories—stories that opened my eyes even wider to the long-term impact of Kairos Torch from a chaplain’s perspective. She spoke of how she interacts with the youth beyond the structured moments of the Weekend and Continuing Ministry—how she sees them in their everyday environments, offering spiritual counsel when it’s needed most.

Before we ended our call, she offered one final thought that has stayed with me ever since:

Join the Prayer Vigil for Annual Conference

To ensure the success of the Annual Conference, we are asking volunteers to cover the event in prayer around the clock from the time it begins on Wednesday, July 23 through its completion on Saturday, July 26.

Show your support by reserving a 30-minute timeslot at prayervigils.net. You may sign up for a timeslot that is already covered, there is no such thing as too much prayer!

Please pray for all in attendance that they become even more effective servants of our Lord for those impacted by incarceration. Pray that they learn more about Kairos to take home and share with their Kairos Community as well as their church, friends, and family.

Get Involved with Kairos Recruitment Videos

Use these [three videos](#) for each of our Kairos Programs to supplement your volunteer recruitment efforts. Each video is created to explain the program and it's impact through the testimonies of volunteers and the Participants and Guests who are involved with the programs. These videos are each about 3 minutes long and great to use in showing to those in your life who would be good candidates to volunteer for Kairos, or they can be used to show in your church or other places where you are presenting on Kairos. Take this opportunity to utilize these videos to improve your volunteer recruitment so we can expand our ministry! [View and download these and other videos.](#)

Watch our 2024 Annual Conference Speaker Testimonies

The Annual Conference was an incredible gathering of over 500 Kairos volunteers who joined together for a weekend of prayer, celebration, learning, and comradery all in the spirit of furthering the mission of Kairos. One of the highlights of each Conference are Kairos testimonies shared during the evening General Sessions.

Each of the Kairos guest speakers is available to view by clicking the thumbnail above or by visiting our [Annual Conference video playlist](#). Watch and share these unforgettable testimonies of how Jesus changed the lives of not only of the speakers, but of their families, friends, and others inside prison. These testimonies are wonderful recruiting tools and a great reminder of this year's theme for Kairos, *It's All Ministry*.

Kairos Institutional Liaison Training

The Institutional Liaison for each Kairos Inside and Kairos Torch Advisory Council is especially important. Volunteers who have held this role have developed training for the Institutional Liaison Coordinator to help better understand the relationship with the facility and key topics to cover, which enables Kairos to operate at it's very best. Sign up for this virtual training by clicking on the link and registering. An email confirmation will be sent to you for joining this 2 hour training.

Requests must be made to

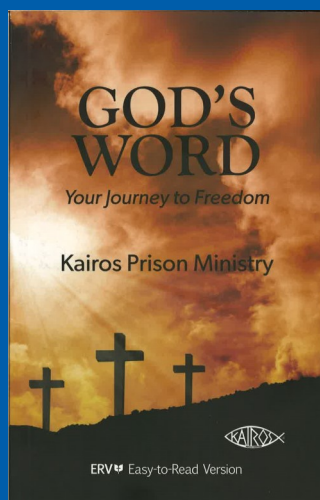

kimberly@kpmi.org at least 10 business days prior to your event. Not everyone that meets at a facility will need a certificate of insurance. Most meeting places carry certificates of insurance for use of their facility. Kairos Prison Ministry's certificate of insurance is only available to our volunteers taking part in Kairos Prison Ministry sponsored activities and events.

Information needed is:

- The exact legal name of the facility or venue.
- The address of the facility (not a PO Box).
- The dates that Kairos will be using the facility or venue.

Order Prisoner to Prisoner Devotionals for 2025-26

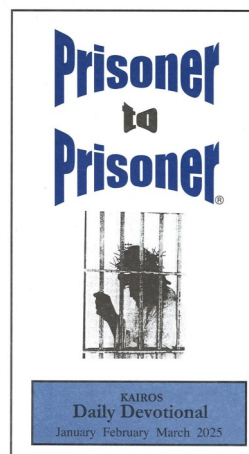

Consider ordering Prisoner to Prisoner devotionals (also known as P2P), the only devotional written by prisoners for prisoners. This uniqueness makes it more than a devotional, but a written account of the lives, experiences, and heartfelt feelings of those who are incarcerated, making for unique and relatable content.

This quarterly devotional is perfect for ordering to distribute to your church, Christian friends, or directly to the prison chaplain in your area. Orders can be recurring or one-time. Ask your Advisory Council to order via the [Kairos supply order form](#) by the following dates:

7/21/25 order deadline for the Oct./Nov./Dec. Issue

10/25/25 order deadline for the Jan./Feb./March 2026 Issue

Postage for P2P will be calculated at the time of shipping.
