# God's Special Time

Spring 2017 News from Kairos Prison Ministry International, Inc. Vol. 43 No. 1

## Thankful for This New Season!

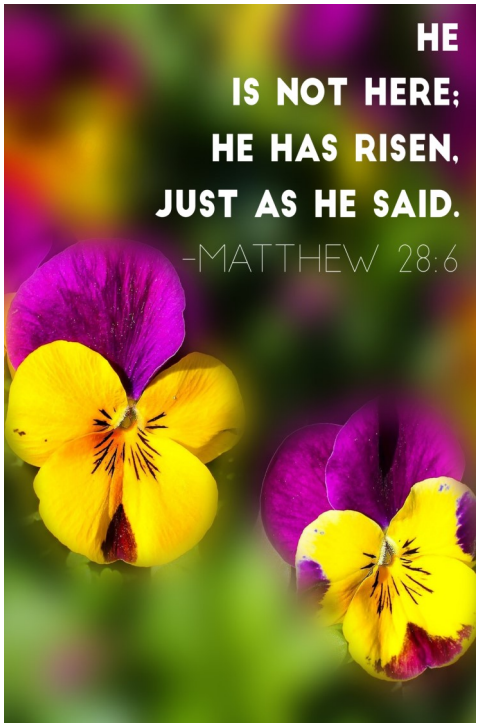
As we enter this new season that brings fresh life to our outside surroundings, we also celebrate this season with the Lenten Period and resurrection of our Lord and Savior, Jesus Christ. In this holy season there is so much to remember of what Christ has done for us, not only leading up to His death, but what He did after and is still doing today.

We are also entering our busier season with our Kairos Weekends. It's exciting to see the list of Weekends that we pray for every Tuesday afternoon at our Kairos International office, steadily growing.

We are thankful for the past season as it was a time to prepare for the harvest of what is ahead!

*"The Lord will open the heavens, the storehouse of his bounty, to send rain on your land in season and to bless all the work of your hands."* *Deuteronomy 28:12*

Kairos is so blessed with the volunteers that we have and yet sometimes, we are limited in the number of Participants we can reach. We challenge each person and team to recruit and identify more leaders to build on our ministry to address the spiritual needs of incarcerated men, women, youth, and their families.



Kairos Prison Ministry sees the fruit of what our volunteers are doing on a weekly basis as we share the love and forgiveness of Jesus Christ. It is awesome to see how God changes hearts, how lives are being transformed and how our ministry is making an impact wherever we minister around the world.

This holy season is about redemption and Christ loving us so much that he would give up his life for you and me. Even in knowing what He would go through prior to and during his crucifixion, He endured the pain and suffering to die for us and our sins.

We have been called into this amazing ministry to share of God's love and forgiveness. We are answering the call to share the good news by ministering to those that are often forgotten by society.

*"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."*

*Matthew 28:19-20*

Thank you for stepping out in faith to answer this calling. Every Kairos Weekend is filled with unexpected, God-shaped surprises.

Thank you also for bringing hope, in helping to change hearts and making an eternal impact in your local community for Jesus Christ. Thousands of lives in 2017 will be changed because of the faithfulness and financial support of our Kairos team!

# Who are We?

While working in service through Kairos, have you ever been asked to describe Kairos and what we do? Often while I travel, I get this question and it is fun to try to pull the person into our story when I answer them. It's a great time to share about the positive impact on the person attending, on the facility, on the family, and on us. It is also exciting to watch their interest peak when we tell a story of someone we met and their transformation, or to explain the change in ourselves by volunteering. This is what we do to recruit – tell the story of how we see God at work and impacting a person's life, including our own.

**Evelyn Lemly, CEO**

Sometimes as I share. I find myself telling about the Weekend event and impact and forget to share the most important part – the Continuing Ministry – the 'we come back' part that teaches them how to live it out and enables them to form their own community, the learning the walk part. It is the full program of Weekend + Continuing Ministry that makes the difference and truly changes the behavior and helps a person change with Christ. If we forget to focus on the Continuing Ministry we have left off the true impact of our program.

Let's remember to not only do the complete program, Weekend + Continuing Ministry, but to also talk about it and why it is so important. At Kairos, we are in the midst of our spring Weekend cycle with thousands of volunteers serving and thousands more attending this first step of the Kairos program. In many states, we have facilities asking us when we can start in their facility. In a few states, we are struggling with various issues outside our control that have us on hold for a while.

We need to focus on praying for the ministry, holding each other up and supporting one another. For the past couple of years, we've been specifically praying for each Weekend, the team, the team leader, and those who attend. We may not always know the specific needs but we can pray. We have added to the weekly prayer list five states or countries to cover in prayer. We will continue to pray for the scheduled trainings each week.

As we continue to strive to always do the ministry with excellence, we need to remember to tell our story and invite others in, to do the full program not just Weekends, and to cover the ministry in prayer.

Thanks for your hard work and dedication to Kairos and to sharing the love and forgiveness of Jesus Christ with those impacted by incarceration. Keep on praying!

Colossians 1:9-12 "*For this reason, since the day we heard about you, we have not stopped praying for you and asking God to fill you with the knowledge of his will through all spiritual wisdom and understanding. And*

# A Message From the Board Chair

In late March, I had the opportunity to visit with some folks in a civic group setting and one asked me about Kairos Prison Ministry, volunteers, and who we are as a group and ministry. I explained that we are a group of Christians, diverse in our personal worship traditions, brought together in our desire to serve our Lord, Jesus Christ. They asked how that worked and I shared that as volunteers from across the country, we are brought together by a mission that we believe in, a Statement of Faith that tells all who we are, and core values that guide our actions and decisions.

When I mentioned how many volunteers served across the country, there was an incredulous response that "no way could that many get along." Their experience in a non-ministry (and even in some ministry) settings was quite different.

So how does a group as diverse and widespread as those in Kairos Prison Ministry bear witness to Christ and see transformations time and time again in Weekends and Continuing Ministry? I go back to those core documents that guide us in our individual decisions, as well as the larger ones made at each level of the ministry. A shared vision and mission is undergirded by core values that guide our behavior and actions as a board, staff and volunteers.

Those values state that:

We are Christians who believe in the Holy Trinity and honor and live the teachings of the Bible and our Lord and Savior, Jesus Christ. We conduct the ministry while inviting all to attend as guests or participants in Weekends and program-specific follow-up activities to build Christian community.

**Vicki Spurgeon, Board Chair**

While we empower the local volunteers to conduct the ministry, we are accountable to excellence and performance at the highest standards and authority of the ministry. We empower guests or participants to be accountable for their lives and be transformed by Jesus Christ.

We believe in the importance of enabling relationships to build community, thus our model includes the Weekend experience, followed by guests or participants gathering regularly for accountability, support and prayer. The full complement of the well-defined returning model is necessary for the community to prosper.

We believe that we must be honest and truthful in our personal conduct as we represent the ministry consistently and with integrity. We are obedient to God in everything we do and obedient to the guidelines of the Kairos ministry programs.

We believe in respecting each person with dignity while modeling Christ's love. We practice 'Listen, Listen, Love, Love.'

We believe we must be good stewards of our ministry's programs, funds and resources, as well as our personal time, talent and treasures.

Thank you to the many volunteers who take the light of Christ into places that others will not go. Thank you for the way that you encourage one another to do more and do better whenever and wherever you can.

As we go forward forming and building teams, experiencing Weekends, making decisions, being good stewards, building relationships and participating in Continuing Ministry, let us always do that with integrity, compassion, and humility.

Let us always remember to 'Listen, Listen, Love, Love' those we serve and those with whom we serve.

*"Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. Each of you should look not only to your own interests, but also to the interests of others."*

*Philippians 2:3-4*

Blessings in the journey.

**By Evelyn Lemly**
**CEO**

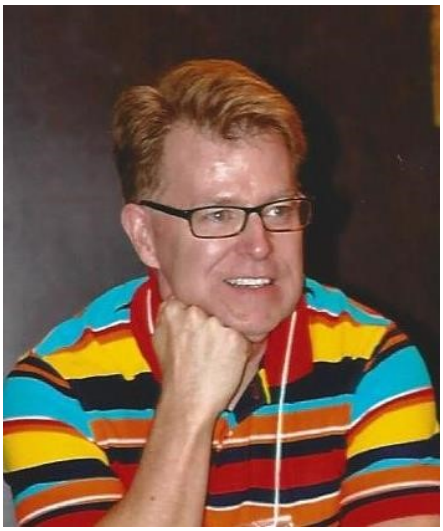
One of the pleasures of hiring a new person to serve on staff is getting to know those who applied for the position and truly see God at work in their lives. It is always a journey for the person that is being led to step out in faith and pursue a new position.

There are the faith steps to see where God leads and then the related personal faith steps of selling a home, moving, starting in a new location and new work, and on and on. The one thing I always see is God at work and leading the way to make it happen – in His time and in His way He provides.

Many of us have experienced the situation in our lives such as Isaiah 6:8, '*Then I heard the voice of the Lord saying, "Whom shall I send? And who will go for us?" And I said, "Here am I. Send me!"* It can be a little scary but so rewarding to step out in faith to say "Send Me!"

I know that is true of the many leaders throughout the Kairos ministry holding the various Board, International Council, State, Advisory Council, and Team positions as they say "Yes, I will do that role." I also know it has been true of me in coming to work at Kairos, as well as Kevin Resnover and Gina Brockmeyer as Program Coordinators.

We are blessed to have Craig Combs also say recently "yes Lord, send me" as he comes to serve as Men's Ministry Coordinator at Kairos Prison Ministry International.



Craig has been working at Indiana University in Bloomington, IN since 1994 as an Assistant Business Manager for the School of Optometry. Before that, he was in sales and also an Instructor at the University. Craig holds a Bachelor of Science degree and a Masters of Health Administration degree.

His ministry work with Kairos as a volunteer has been in two different facilities in Indiana over the past 10 years where he has led a Weekend, been in different roles in the teams, served on two different Advisory Councils, and has been very active in the state. Craig has also served as an Advanced Kairos Trainer since 2011 for Kairos Inside.

In addition, Craig has been very active in Walk to Emmaus (since 1999), Chrysalis (since 2002), and Community Bible Study (since 2001) holding numerous roles, leadership positions, and teaching positions with each. He is very active in his local church and community.

Please cover Craig in your prayers and support him as he makes the move to Florida and joins the staff in serving the Lord, Jesus Christ in this wonderful ministry of Kairos.

***Who are We?***
*(Continued from Page 2)*

*we pray this in order that you may live a life worthy of the Lord and may please him in every way; bearing fruit in every good work, growing in the knowledge of God, being strengthened with all power according to his glorious might so that you may have great endurance and patience, and joyfully giving thanks to the Father who has qualified you to share in the inheritance of the saints in the kingdom of light."*

# Listen, Listen, Love, Love

By Gina Brockmeyer
Women's Ministry Coordinator

The theme for every Kairos Inside Weekend is Listen, Listen, Love, Love.

Listen, Listen, Love, Love reminds us that Kairos is not about preaching or convincing. Instead, volunteers sacrifice their need to be in control and listen with their hearts – a true act of great love. On a Kairos Weekend, Christ calls volunteers to be servants. That means they are to give up their control. The servant's agenda is not important; the Master's agenda is!

Each day of the 3½ days of a Kairos Inside Weekend has a guiding focus and the activities for each day are designed purposefully to support that day's focus and objective. Everything has a place and an order, and as the days unfold, a building process is taking place.

On Thursday, the Participants encounter Kairos, and all the activities are designed to reduce anxiety and begin making Participants increasingly more comfortable with their new friends, our volunteers, and each other.

Friday is about encountering self and the Participants focus on gaining a better understanding of themselves and their standing with Christ.

Saturday's focus is on encountering Christ, and the day's activities introduce the Participants to Jesus and the Body of Christ, encouraging them to find forgiveness and redemption in Christ. Finally, Sunday is about encountering others. All of the activities on Sunday are designed to have the Participants begin the process of growing in faith and learn about living in community with others. They also learn about the importance of service to others and introduces them to continuing ministry through Prayer and Share and Reunions, which is the heart of the Kairos ministry.

As a Kairos Weekend unfolds, Participants are led step by step, through a growing understanding of the focus for each day. That is why Kairos Inside is such a structured program, and why volunteers must avoid the temptation to add their thumbprint to the Weekend. Kairos Weekends are a gift from the Holy Spirit and there is no reason to tamper with its proven power, even if there is an element that someone may personally think could be done "better."

Every element of the Weekend program is to be done, and done in its proper sequence. The wisdom of Kairos has established the program as the **best** method.

Unlike Kairos Outside, Kairos Inside Weekends do not have individual themes or scriptures selected by the Weekend Leaders, and Kairos Inside Weekends do not have individual logos or shields designed for each Weekend.

The role of a volunteer on a Kairos Inside Weekend, or any Kairos Weekend, is to plant seeds – seeds of love. Volunteers must understand that we are just instruments of God's love, and in Kairos we must joyfully lay down our will and serve in obedience to God and to the Kairos method.

The power of the Kairos ministry comes from being focused as advocates for Christ and in covering our Weekends with prayer.

As all volunteers know, the Kairos Riverbanks define the boundaries of the ministry that must be honored. Only by honoring these boundaries is the framework and integrity of the ministry securely maintained as Kairos!

## Seen But Not Heard

By Kevin Resnover
Youth Ministry Coordinator

"***Children (youth) should be seen but not heard***" is a far cry from Christ's words in Matthew 19:14- "**Let the children alone, don't prevent them from coming to me…**" but it certainly was what

many in my generation, those generations before us and those coming on the scene repeatedly heard. In fact, I recently encountered a young father teaching those principles to his children; not using those precise words, but certainly implanting those exact principles. I cringed as I watched him miss opportunity after opportunity to address their innocent statements, and what seemed to him as silly questions into powerful teachable moments.

I'm sometimes asked why this generation of youth is so quick to take to the streets and so assertive in espousing their views (when it's not asked for). My mind quickly goes back to Matthew 19, where those forward-thinking parents knew the importance of having their children front and center to receive Christ's blessing through physical touch, spontaneous listening and words for abundant living. No matter what the age or the position we hold in life, we all have a need to be heard and touched in positive ways. When that need is not met, we often find other ways to feed it and to be heard. The screaming infant may not be able to formulate the words to say, but he knows that his screams will get his parents attention; and today's generation knows that posting on social networks or protesting in the streets will get someone's attention.

I deeply appreciate the theme of Kairos Prison Ministry and it's usage in the Kairos Torch program: "Listen, Listen, Love, Love." It cuts to the chase with profound wisdom and understanding of humanity's basic needs. I equally appreciate the Kairos Torch volunteers that have taken to heart this theme and live it out with the youth they have been called to mentor and minister.

Not long ago, I received a large envelope through the mail from one of our long-time Kairos Torch volunteers. In it were several letters, poems, and written expressions from youth that had participated in a Kairos Torch Weekend and the mentoring program. Each of these youth found their voice through the care of a loving mentor that listened carefully to their stories and presented them with choices for hope and a future.

Space will not allow us to share all of their writings but here are couple to read:

## Seen but Not Heard (*continued*)

***To the People of Kairos…***

*The last few days spent with you all has been loving, helpful, and it was a learning experience that I'll never forget! The last 10 months that I've been saved has shown me that God is the only way and then you all came and showed me how to forgive.*

*I've been able to forgive my mother for all the pain and abuse she put in my life, and to be able to forgive the people that I love the most for not doing anything. I am free from unforgiveness, and it is because God has put you all in my life and allowed me to understand what forgiveness means.*

*Thank you all for coming and talking to us. God bless you all! And thank you a thousand times again!*

*Love you all,*
*Wicia*

***Our Life Would Be The Same***

*I remember a time when each day was long,*
*My life was a playground, my life was a song.*
*And fluttered through the years with barely a care-*
*I ignored the future and what awaited there.*
*I dreamed away daytimes and dreamed away nights-*
*I was fooled into thinking my life was all right.*
*So it was to this day - I came to Kairos,*
*That I've accepted Christ as my Savior,*
*And now I can begin to grow.*
*So thank you all for showing us you care,*
*For love, support, understanding,*
*And just being there*
*And always the truth will remain - if some of us never came*
*To Torch #2,*
*Our life would be the same!!*

Ali

.....

Being seen is nice for some, but being heard is vital to all of us. Taking the time to actively listen with our hearts will have a profound effect in the lives of those who God has placed near to us.

# *Ways to Give*

There are *many* ways to give to Kairos Prison Ministry. One way is to give a ***Legacy gift***. If you haven't already, we pray you will consider including Kairos in your will.

Recently, a faithful donor/volunteer shared, "Kairos is always in my heart. I want you to know that Kairos is in my will. I want to make sure that many years to come those that have only known hopelessness all their lives continue to find hope and healing when they ask Jesus into their hearts."

Kairos Prison Ministry International

*Another* way to give to Kairos Prison Ministry is through ***Appreciated stocks***. A donor has shared how simple it was to transfer her appreciated stocks to Kairos Prison Ministry. Giving appreciated stock is a great way both to reduce your taxes and give more generously.

## *Wonderings as I Wander*

**By John Miller, International Council President**

*1 Corinthians 13:13 And now these three remain: faith, hope and love. But the greatest of these is love.* In January, I was appointed as the pastor for a small church in Indiana and that journey has led me through some very interesting situations and people who I have met have given me a new perspective on life. The area I'm serving is a small community of about 2,100 people and it takes me back to my childhood days of living in a small community. It's refreshing in that people rely on one another more often and you hear the phrase, "How can I help?" quite often. Yes, they have their problems and drugs, etc. plague them as well, just not to the extent of a larger city.

What I see is a Christian community coming together much as we do in Kairos. However, as pastors, people in the community rely on us to help lead, just as our Weekend Leaders lead us like shepherds. Not so different that when we read the 23rd Psalm. ("*The Lord is my shepherd, I shall not want*.") When we go in behind those prison walls and when we meet with the loved ones of the incarcerated, we are invading Satan's domain. He wants to keep those men, women and children in the dark. He does not want them to see the light, the light that you bring; the light and love of Jesus Christ.

Recently, I was a little put off by the actions of a situation and I prayed about it. God spoke to me saying simply, "Love them." Just as He loved, we are also to love. You see, when Jesus went to the cross, He died for ALL of us. Not just the "good guys," but everyone. All we have to do is to accept. That's what we do in Kairos, "Listen, Listen, Love, Love." Then we get to see the Holy Spirit do its work. What a gift!

As we enter this Lenten season with Palm Sunday and Easter before us, perhaps you are doing something special during this time. Perhaps you're reading the Bible more, perhaps fasting, perhaps giving up something. Pope Francis puts it well. He says, "Fast from hate, fast from indifference." When we fast from hate and indifference and allow love to come forth, wonderful things happen. We've seen it in the prisons, we can see it out of the prisons. May you enjoy your Lenten journey and may you experience the joy that comes from being with Christ every day of your life.

Kairos Prison Ministry International

## *In Loving Memory*

***Often, people who have lost a loved one ask that a tribute gift be made to their favorite charity in lieu of flowers.***

***A memorial contribution to Kairos Prison Ministry pays thoughtful tribute to the memory of your loved one.***
***Donations will support sharing Christ's love with the incarcerated.***

***A memorial letter will be sent to the family of the bereaved, along with the name(s) of the donors. The amount of the gift will not be disclosed.***

***Donors will receive a letter from Kairos Prison Ministry for their tax-exempt contribution.***

## ***Letters from Kairos Graduates:***

Dear Kairos,

I have been blessed over the past weekend as to being part of the Idaho (Boise) 4-day retreat #17. I want to thank your ministry teams for their authentic Christianity that we, as inmates, don't see from our fellow brothers with their lack of understanding of God's love – living in their own infinite views of what love means. But these men - I have become blessed to know - are the Kairos Idaho Chapter. They are wonderful lights of Christ's love. Praise be to God that in the appointed time, Christ brought these men into my life and rekindled the flame within me through the inspiration of the Lord. This Weekend allowed me personally to take off the prison shield and just show the miraculous works the Lord does within any man that the Lord wants to use. Please keep up the work that you are doing for the Lord and I want to thank you for giving me the opportunity to be a part of Kairos #17.

Zachery,
Idaho State CI Graduate

……

Hi,

I just wanted to thank you because I just went through the Kairos program and I loved it. You should try to get into every prison. It was the best time I ever had in prison. Your program has a lot of positivity and I needed that, because there is so much negativity in here that we need something uplifting.

Timothy,
Menard CI Kairos Graduate

He was a member of the Wabash Conference FM USA, the Emmaus and Chrysalis Community, the Kairos Prison Ministry and participated in Haiti Mission Trips.

# Kairos Remembers

**Tanya M. Daley** was born April 15, 1959 and went to be with her Lord and Savior on February 17, 2017.

She will always be remembered for the love in her heart for others, as she was often known for putting people before herself. Her passion was people and making a difference, as she often did as a representative for Northwestern Louisiana Kairos Prison Ministry. But above all else, she loved her family.

Those left to cherish her memory are her mother, Frankey Kelley; husband, Ken Daley; sons, Joshua Sanders and Joey Daley; sisters, Suzanne Traylor, Casey Kelly, Mary Vickers and Kim Palmer; grandchildren, Devin, Kaylee, Matthew and Dylan; and numerous nieces and nephews.

**David Powell**, after 65 years of life on earth, went to be with his Lord and Savior, Jesus Christ on Monday, Feb. 27, 2017. Please keep his family, including his wife Linda, in your prayers.

David loved to love the unlovable and to lead them to Christ, and, more importantly, David always made those around him aware of the Holy Spirit. His ministries included countless hours devoted to Kairos Prison Ministries, Celebrate Recovery, numerous nursing home ministries and Hideaway Lake Community Church. His ministries began at an early age, starting with him & his Dad walking through his childhood neighborhood passing out fliers to his Dad's church. As a preacher's son, David was always aware of the big shoes he had to fill and David spent a majority of his life trying to accomplish that.

Next to his love for Christ, his second love was the trucking industry. David started working on the freight docks at the young age of 17 and he made transportation his life long career. Through his years in the trucking industry and his ministry, David amassed a list of lifelong friends.

David used Proverbs 27:17 as his guide in friendships and it tells us that "Iron Sharpens Iron." That's how David bonded with such friends that he called his "Mavericks."

In lieu of flowers, the family has requested that donations be made to the Kairos Outside Ministries. Send to KPMI-KOET, P.O. Box 4208, Tyler, 75712, or online at KairosPrisonMinistry.org.

The family would like to thank the caring and loving folks at Texas Oncology and The Hospice of East Texas.

## Agape Contacts for Upcoming Weekends:

A listing of agape contacts for Kairos Weekends will be provided on the mykairos.org website. This information is compiled from the Weekend information that is posted on the Kairos Kalendar and will be available in Excel format. You will be able to cut and paste all of the contacts email addresses right into your email instead of cutting and pasting each one individually. We hope this will make the exchanging of agape much less cumbersome.

In order for this to be effective, please be sure your Weekends are posted well in advance of their actual dates and your agape contact and their email address is included in the posting. This document will be updated and reposted monthly on the 'Register Your Weekend' webpage. To access this information go to: http://www.mykairos.org/kalendar.html and click on 'Agape Contacts for Upcoming Weekends.'

*Recently, Kairos, along with other ministries, received this well-written reminder from the Indiana Department of Corrections. Unfortunately, we do have Kairos volunteers in various states that get removed from service in the facilities due to overstepping the boundaries of the facility or the DOC. We realize each state has slightly different rules of engagement on what is allowed; however, this is fairly standard to most states as a guideline. We share this with permission and to help us remember to honor the rules of the facility and DOC, along with the rules of Kairos as we serve those impacted by incarceration.*

## ***Email from the Indiana Department of Corrections:***

Recently the Department of Correction has terminated several volunteers, some of them with years of experience, for giving money to offenders through the JPay system. In total, these volunteers lost several thousand dollars in a short amount of time. We believe these are isolated problems, but want to be proactive in protecting you and all of our volunteers. Please remember that there is never a reason for giving money, or any other goods/services to an offender or his/her family. Don't forget your training on offender manipulation, and the basic formula of:

TIME + EXPOSURE = OPPORTUNITY FOR MANIPULATION

If an offender asks you to send money, carry a message, contact family or otherwise go beyond the scope of your volunteer duties, please notify staff. Manipulation typically begins with an offender fishing for a victim by making simple requests, but escalates to larger demands once the hook is set.

Please look out for one another and don't hesitate to ask your community involvement coordinator, chaplain or any other staff for guidance and help.

The relationship between volunteers and offenders is predominantly positive. Not only do offenders and the facility benefit greatly from this relationship but often the volunteers experience the same positive effects. However, due to the nature of a correctional environment, it is the responsibility of everyone involved to maintain very strict boundaries to ensure a safety and secure environment.

The Indiana Department of Correction takes a firm stance prohibiting fraternization. For the purposes of a correctional environment, fraternization is defined as relationships with offenders that go beyond the normal scope of the role of a volunteer. The purpose is to avoid potential conflicts of interest or impairment of supervision and rehabilitation, and to provide humane and respectful treatment of offenders. The information below provides clarification about what fraternization means in a correctional environment.

Volunteers are prohibited from exchanging goods/services/funds with:

- Any incarcerated offender
- Any offender under the supervision of probation/parole
- Any family/friends/associates of an offender

A volunteer must not personally intercede or advocate on behalf of an offender regarding:

- facility discipline;
- programming;
- rules of supervision;
- employment;
- Parole, pardon, commutation or any judicial matters.

(***Continued on Page 14)***

Very clear boundaries should be respected and any contact that could appear to violate these conditions must be reported to the Community Involvement Coordinator. Communication is the best tool to prevent situations where you are overstepping your boundaries. If it is discovered after the fact, you may not be able to continue to serve at that facility.

- If you discover that someone you know or are acquainted with becomes incarcerated or under probation/ parole supervision (e.g. family member, mild acquaintances, former co-worker, a neighbor, family friend, etc.), report this to the Community Involvement Coordinator. Relationships must be evaluated to determine whether your continued volunteer service will pose a conflict of interest at any IDOC facilities.
- Volunteers must not get involved in any way with an offender's family or friends.
- Treat all offenders impartially; do not grant special privileges, considerations, contacts, etc. to any individual offender.
- In order to maintain a professional relationship, offenders are required to address staff/volunteers by their title (Mr./Ms./Dr./Sgt./ Officer) and last name.
- Volunteers must not use first names or nicknames in addressing inmates; always use Mr./Ms. [last name].
- Offenders must not be addressed by a title (Rev., Dr., etc.)

Any questions regarding an offender relationship should be directed to the Community Involvement Coordinator. Constant and continuous communication with the Community Involvement Coordinator is your best defense to defuse compromising situations before they occur. If an offender makes any type of request of any item or favor or anything outside the scope of your program/service, report it immediately to the Community Involvement Coordinator. Think of it this way – only provide an offender with something you could provide every offender at the facility, such as a prayer, encouraging words, or a listening ear.

The above also applies to volunteers asking their own family or friends to intercede as a go-between.

We hope this clears up any misconceptions and also refreshes what you've heard in the past. If you have any questions, comments, or concerns about any of the above information, please don't hesitate to contact me.

Indiana DOC email to volunteers

## ***Letter from Kairos Graduates:***

Dear Kairos Prison Ministry,

Hello, my name is Terry. I'm writing to show the best way I can, which is through the transparency of words, how much I appreciate every time your ministry blesses us with the delicious cookies and I know everyone in the system feels the same, even if they don't express it. I decided to write because over the 9 ½ years I've been in the system, 8 ½ of those years you have graced us with your love consistently. You're not judgmental, it's as if you embrace everyone's tribulations with care – as though you were a mother of sorts. I just wanted to say thank you and let you know the love is appreciated.

Truly,
Terry, a Kairos Graduate

# KAIROS TRAINING

Advanced Kairos Training is for Kairos Inside, Kairos Outside, and Kairos Torch volunteers who are in or will be in a Weekend leadership role, including Advisory Council or State Chapter positions, anywhere within the Kairos program. Advanced Kairos Training gives the what, who and why of the Kairos ministry. **Kairos policy requires that all Weekend leaders must have completed the entire training course 12 to 24 months prior to leading a Weekend.**

**PRINCIPLE STATEMENTS CONCERNING ADVANCED KAIROS TRAINING EXPENSES**

1. All Advanced Kairos Trainings are essentially free to any and all attendees. However, paying the expenses of an attendee for training is borne by the state sending its volunteers to a training in or out of its local state. This means that all Advisory Councils or State Chapter Committees should be budgeting for any training expenses deemed necessary for their future Weekend Leaders or other attendees that the Advisory Council or State Chapter Committee wants to attend.
2. Advisory Councils or State Chapter Committees should encourage their volunteers (who may have been used to paying out of their own pocket previously to a Host State) to make their donations to their local Advisory Council instead to help build the budget to allow for more volunteers to attend trainings.

***BE SURE TO BRING YOUR PROGRAM MANUAL WITH YOU TO THE TRAINING***

***You must complete the entire Advanced Kairos Training in order to receive your certificate and become a Weekend Leader.***
