It's an exciting time for Kairos Prison Ministry! Overall, we are healthy and growing with new communities for the three programs taking place, with growth in the existing communities, and new people joining us continually as volunteers.

Often, I share – Kairos has great programs, great people, and Jesus Christ – what else could we want!

Evelyn Lemly, CEO

We know our three programs working individually are impacting people. We also know that as they work together to impact different individuals, the family is positively influenced. By sharing the transforming love and forgiveness of Jesus Christ with the man, woman, or youth on the inside along with the women family members outside, the programs together positively change individuals, family, communities, and society. As the programs working together can help improve the family connections which can enhance the reentry and reduce recidivism of the returning citizens. If in any way we can help reunify the family the positive impact on the person and the family is exponential as the programs are Better Together.

In 2019, as we work our strategic plan nationally we are encouraging the states to work their local plan for enhancing the current communities, launching new programs in new locations, fundraising, and recruitment. *As Proverbs 11:14 says 'Where there is no guidance the people fall, but in abundance of counselors there is victory.'*

We also have exciting things happening in KairosMessenger that is creating a database for each local Advisory Council and State to use. We find when EZRA is used well and the data is present, we have many past volunteers that can be regained to help us stabilize current ministry and to grow into new locations. What a recruitment opportunity! We also have dozens of future tools that can help automate information, reduce redundancy and repetitiveness of work, provide a one source information site for the local leaders, provide reports and trends, track Continuing Ministry, track training, and provide a communication tool locally.

The biggest need continues to be and probably will always be volunteers. As we need to keep each local community whole and vibrant with new additional people and as we expand to new locations, we need people. As everyone knows telling our story and personally sharing of the impact while asking someone to become involved is the key to recruitment. Please ensure that we are working to replicate ourselves by asking others to be involved, visiting new churches to gain new members, and sharing the wonderful story of what Jesus Christ is doing through Kairos.

A MESSAGE FROM THE BOARD CHAIR

People God Uses

The year of 2019 is almost half over with many success stories during the Kairos weekends. Many lives have been transformed and hearts impacted by the love and forgiveness of Jesus Christ (sound familiar because it is our Mission Statement). Each of you had a role in the programs of Kairos, as a servant first, and a volunteer second, by answering God's call. Thank you!

The Board of Directors met in April in the Kairos office with a theme of "People God Uses". Each Board member selected a person in the Bible (named or unnamed) and told the story with the way God used them. Each of us are these stories of how "God Uses People" to demonstrate the love of Jesus Christ. God equips, empowers and guides us as a body and as an individual throughout Kairos and our daily lives. Who would you select as a person in the Bible God has used? The participants and guests may see you as that person, because you represent Jesus to them. Thank you!

Terry Crockett, Board Chair

The next five years (2019 to 2023), Kairos has numerous opportunities to sustain and grow for the ministry. The Kairos Five Year Strategic Plan has seven Vision Priorities to accomplish this including:

Vision Priority 2: Sustain and strategically grow the ministry reach and impact through the three core programs and inclusive with strong focus on Continuing Ministry.
A Segment of Vision Priority 2 is the continual focus of Continuing Ministry of each program by:

- Provide new tools and resources to enhance Continuing Ministry
- Develop tracking Mechanism for attendance and impact using KairosMessenger
- Ensure the full program (Weekend + Continuing Ministry) is being conducted at each facility/community

As we are the "People God Uses", please review Vision Priority 2 of the Kairos Strategic Plan where you serve. Continuing Ministry is the "Heart of Kairos", which helps in carrying out the Kairos Mission and Vision Statements.

"I was in prison and you visited me." Matthew 25:36

Blessings, Terry

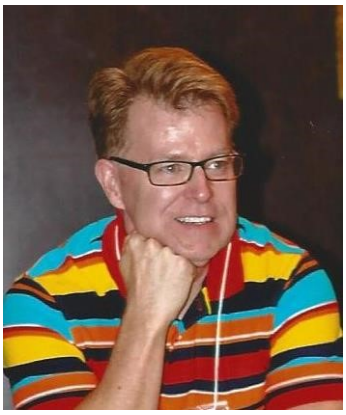
Jacob Moment

By Craig Combs, Men's Ministry Coordinator



Have you ever had a Jacob moment? I hope so… I really do. Jacob was a conniver and his style of relating to others was to manipulate them to get what he wanted. He was a user. He controlled his life and depended on himself and not on God. Interestingly, he found someone just as conniving as he was when his mom sent him away to live with his Uncle Laban as Jacob had kind of messed up the family dynamics, to say the least! I am sure God used Laban to show Jacob what he was really made of since they were very similar. I'll bet when Laban switched Jacob's bride from Rachael to Leah, Jacob was reminded of his own deception with his brother. Fortunately, God loved him enough to break him of his natural self and changed him into someone dependent upon God. That is why I hope you have had a Jacob moment… or two or three or hundreds perhaps. That is why we provide a Jacob moment at a Kairos Inside Weekend - so God can wrestle with the participants, so God can show Himself to them and so they can see that it is more important to trust and rely on God than on themselves, even in prison.

God did that for Jacob by bringing him to the end of his rope and allowing him to be scared. He was to meet up with his older brother, who by all accounts should have hated him since Jacob had stolen the birthright from him. They had not talked or seen each other in years to resolve their issues and allow for any forgiveness. In the void of communication, everyone thinks the worst, so Jacob was probably very paranoid about this family reunion!

What did God do to Jacob when He wanted to get hold of him? He revealed Himself to Jacob. As soon as Jacob was alone, it says that a 'man wrestled with him.' That man was God. We know that Jacob gets a new name out of the wrestling match that means 'he fights with God' or Israel. During the fight, God says 'let me go'… which seems odd. What, God can't win? Daybreak was coming and the light would have revealed God's face and Jacob would have died. But Jacob won't let go! He says 'I won't let you go unless you bless me.' Finally, Jacob has come to the point where he would rather die than live without God's blessing. Jacob represents independence from God and Israel represents dependence on God.

This is what we want to happen on Saturday night – to make sure the participants have what Kairos calls a Jacob moment-- where the participants wrestle with God and come to the point of where depending on Him is far better than depending upon themselves. That is why we send them out the door on Saturday without hugs, handshakes or goodbyes. We don't want to get between God and them to interrupt what God is doing in their lives. We could easily mess up the perhaps uncomfortable moments where God can reveal Himself to them, and they can wrestle with God. Those moments might be uncomfortable for us, but God wants to use it to reveal Himself to them.

So while I hope you have had Jacob Moments in your life, I also hope we let the participants have Jacob Moments too.

Using Our Kairos Tools for Recruiting

By Gina Brockmeyer, Women's Ministry Coordinator

I recently read a Weekend Leader's report which stated they had 48 team members who served on their last Weekend. I know this number of volunteers serving on a team is not uncommon in many places, but for this institution it is. For the past several years they have only been able to host between 18 and 24 Participants on their weekends because they were unable to recruit enough volunteers to serve on their teams.

But this year the Advisory Council decided they were going to do something about those numbers, they decided they needed to ramp up their recruitment efforts. In addition to visiting more churches and doing many of the typical things all Advisory Councils do to recruit volunteers, they did something every Kairos Advisory Council can do, but that most, probably have not even thought about doing.

They made use of a tool that all our Advisory Councils have available to them, KairosMessenger.

This Advisory Council went into KairosMessenger and compiled a list of their past volunteers. Then they divided the list up between the members of the Advisory Council, giving each member a few of their past volunteers to call and invite to serve on the Weekend. Their efforts were very successful. Several former volunteers returned to serve on the weekend, and several more said they could not serve this time but expressed an interest in serving on a future weekend.

Fortunately for this Advisory Council they had been utilizing Ezra properly, making sure all the information requested in Ezra was filled in completely and properly, and they also have been passing their data from one Weekend Leader to the next, so they had data regarding their past volunteers in KairosMessenger to retrieve.

Passing data from one Weekend Leader to the next is simple, but it does require several steps that are outlined below.

Starting on the Monday after your Weekend, when you start up Ezra, you will get a message that you have additional things to do before you have completed your weekend. That message guides you to the next step you need to take before you are completed. If you are a Kairos Outside leader, you must import data from your Observing Leader 1 and Angel Coordinator. All Weekend Leaders then do the final two steps numbered 1 and 2 as shown to the right. YOU MUST BE CONNECTED TO THE INTERNET. Please follow the process.

Utilizing Ezra properly and passing on the data from one Weekend Leader to the next ensures your Advisory Council has a complete and thorough record of all your volunteers, your Participants or Guests, and the effectiveness of your ministry.

And having this information at your fingertips is valuable in so many ways from recruiting to showing Departments of Corrections and Donors how powerful our Kairos programs are, and what an impact we are having on incarcerated men, women, youth, their families, and those they work with.

Be Relevant

By Kevin Resnover, Youth Ministry Coordinator

I appreciate how Peter went directly to the deeper need of the lame man lying at the temple gate called Beautiful. This severely immobilized man was just doing what he did every day for a living; he was begging. Don't judge him…It was all he could do! Peter and John didn't stare with disdain because he was there every day with his hand out. Nor did they look the other way because they didn't have any money to give. They had a God message relevant to this disabled man's need. In fact, it was far more than he could have ever expected. What they had to give him went past his immediate monetary need and struck an unquestionable bullseye at what was essential to his disability.

Jesus had instructed them well in ministry relevance and the importance in speaking to the issues directly in front of them as referenced in Luke 9:12-13. After all it's hard to hear the message of unconditional love over the roars of an empty belly.

When studying for ordination into the ministry, one thing that I heard over again was, "**Be relevant**!" My instructors were profoundly insightful scholars, and often warned against striving to be so deep that we failed to speak plainly to the present need(s) in front of us. One pastor often paralleled ministry with the phrase, "*This is where the rubber meets the road*".

My very first week working for Kairos I met a wonderful man named Larry. He was a highly decorated, humble and compassionate officer of the law. He continually moved up the ranks because of the integral and fair way he handled the public (even those that he had to arrest). Larry was eventually promoted to the position of Assistant Police Chief in a large metropolis in the Midwest and went on to become an F.D.L.E. Agent. I believe it was his experience as a law enforcement officer that opened his eyes and heart to see the importance of mentoring youthful offenders in Kairos Torch. Larry brought that same spirit of excellence and integrity into each mentoring session with the youth he was assigned, and was a model mentor for all of us to aspire to.

Several years ago I sat next to Larry in New Mexico on a panel where we addressed the importance of mentoring incarcerated youth. Larry passionately moved into his closing statement by saying "*I'll never forget my 2nd mentee. It was a total mismatch; it could never have worked. I am a 6 foot cop- Anglo, and this little kid is 17 years old, he's about five foot-three and he's black. He's been down five years already. He's gotten only one letter from his mother, and that is the only contact with anyone in his family. I mentored him for 6 months and he was about to get out… I said, God this is a joke, we have nothing in common! How can I mentor this little short black kid from the streets? But we really developed a great relationship, and through the resources of the prison he found a family that was not in his hometown…they basically adopted him…* (long pause) *But before he left,* (breaking in tears) *he told me I was the best friend he ever had.*

There was hardly a dry eye in that packed room as Larry handed the mic over. As moved as I was and still am every time I replay that video of his presentation, it's the back story that really touches my heart. The part that Larry did not tell was that this young man was the gang leader inside that facility, and he ruled

with his fist. The reason Larry was assigned his mentor was because of his police training. Over a period of time Larry was able to ask this young man what he wanted to do with his life. The young man said he wanted to be a boxer. You can imagine Larry's feeling about helping this young man become a boxer since he was already using his fist to rule in the institution. Larry told the young man that he didn't know anything about professional boxing and finished up their mentoring session for that day.

When Larry left the facility, he made his way to the library and checked out every book he could find on boxing and spent the next two weeks reading. When he returned back for the next mentoring session, Larry began to explain to the young man everything he needed to do to become a professional boxer. With great amazement the young mentee ask, "*How do you know all this information when you didn't know anything about boxing two weeks ago*?" Larry simply responded that he went to the library, found all the books he could and read them all. It was then that his mentee quietly revealed, "*I don't know how to read or write.*" Before the young man left the facility he could read at an eighth grade level… I'm sure you can guess who taught him how to read.

Larry was clear on his role in introducing his young mentee to Christ. But he also understood the value of being relevant and address the physical needs of those Christ put in front of him. The young man never returned to incarceration of a life of crime because someone took the time to be relevant in his life.

I have come to deeply value those called to work with minors and youthful offenders. Just as this lame man needed others to carry him from place to place, the youth we serve in Kairos Torch are still in their formative years and require some assistance in their development and crossing over into adulthood. It's where the rubber meets the road.

A MESSAGE FROM THE INTERNATIONAL COUNCIL PRESIDENT

By Tom McCarty, International Council President

This will be my final epistle to you as your IC President. To say it has been a joy would be a great understatement. To serve you, "them," and "Him" has been the highest honor and privilege, to be sure.

As I wrap up my service—*tour of duty* if you want to call it that— in the army of the Lord, I thought what better way to close than to say "goodbye." And what better source of goodbyes than (what we call in our house) The Handbook.

Here goes:

2 Corinthians 13:11-12: "Finally, brothers, rejoice. Aim for restoration, comfort one another, agree with one another, live in peace; and the God of love and peace will be with you.

Ephesians 6:23-24: "Peace be to the brothers, and love with faith, from God the Father and the Lord Jesus Christ. Grace be with all who love our Lord Jesus Christ with love incorruptible."

1 Thessalonians 5:23: "Now may the God of peace himself sanctify you completely, and may your whole spirit and soul and body be kept blameless at the coming of our Lord Jesus Christ."

2 Thessalonians 3:16: "Now may the Lord of peace himself give you peace at all times in every way. The Lord be with you all."
Titus 3:15: "All who are with me send greetings to you. Greet those who love us in the faith.

2 Timothy 4: 7-8: "I have fought the good fight; I have finished the course; I have kept the faith. Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at the last great day. Not only unto me, but to all those who love truly His appearing."

Revelation 22:21 "The grace of the Lord Jesus be with all. Amen."

Jude 24, 25: "Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, To the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen."

And finally, perhaps my favorite, from Numbers 6 with the little addition by Robert Schuller I think. "And now may the Lord bless you and keep you. May the Lord make His face to shine upon you and be gracious unto you. And may God give you His peace, in your going out and in your coming in, in your lying down and in your rising up, in your labor and in your leisure, in your laughter and in your tears… Until you come to stand before Jesus in that day in which there is no sunset and no dawning. Amen."

I thank God on every remembrance of y'all (Virginia version!)

Gary Kulbitski, was born on January 1s t, 1943 in Iowa City, Iowa where his father was stationed during World War II. He spent most of his childhood among a large extended family in South St. Paul, Minnesota, with a few of his teen years in Bellingham, Washington, returning to South St. Paul for his senior year of high school. After his first year of college, in 1962, he spent the summer at the home of his Uncle Richard Werner in White Bear Lake, MN and worked for him in his propane business. When not at work, Gary and his cousins Jay and Phil Werner would play bridge with the next-door neighbor, Lee Ella Curtis, as the fourth. Towards the end of the summer, Jay suggested that if the trick contained ace-two-three -four of the same suit, the holder of the ace should kiss the dealer. And so it was that Gary gave Lee her first kiss on September 3, 1962. They were married September 3, 1965 after Gary had graduated from OCS.

They were stationed a short while at Fort Sill, OK. Gary was then sent to spend 13 months in Korea. While there, Gary Crosby Kulbitski Jr. was born July 21, 1966. After Korea Gary was again stationed at Fort Sill, where Anne Alaina Kulbitski was born April 11, 1968.

Gary resigned from active duty the summer of 1968 but stayed in the Army Reserve for 19 more years. They returned to White bear Lake Minnesota to finish their college degrees. Gary graduated from the University of Minnesota with a degree in electrical engineering. He went to work for a division of Control Data which would

later be bought out by General Dynamics. The family moved to their home of 30 years in Burnsville, MN. Son Paul Curtis Kulbitski was born in 1973. Gary enjoyed a fruitful career and became known as the " dad of the AYK-14" a computer on many Navy jets. He worked for this one group until retirement the end of 2001. During this time Gary and the family were active in the Church of the Nativity.

In 2002, Gary and Lee moved to Colorado to enjoy grandchildren in Colorado Springs and skiing at their condo in Keystone. Gary and Lee became members of St. Michaels in the Springs and participated in St. John's in Breckenridge. Gary loved to play golf, play bridge and ski. He loved participating in the Men's groups, both in the Springs and Summit County. He particularly loved participating in the KAIROS prison ministry programs offed at Correctional facilities around the state, including Territorial, Sterling, Buena Vista, and Bent County. His mission in all aspects of his life was to practice kindness. For three years he battled cancer and knee replacements enduring many surgical procedures. Until the very end, if asked how he felt, he would say " ultra- fantastic". He chose to Live while he could. He was an amazing husband, father, grandfather, friend and witness. May all who knew him hang on to the joy he gave them.

Julie married Rudy Leon in 1979, and lived in Tri-Cities, WA, where their son, Matthew was born. In 1982, Julie moved to Wenatchee, WA, and worked for the family business. Several years later, Julie married Jerry Simpson, and they moved to Vancouver, WA. Together they had two sons: Michael and Jeffery. The family lived in Renton, WA, Minnesota, Colorado and then back to Washington state. Julie left many dear friends wherever she lived. She taught a private preschool for many years where she nurtured and loved so many young children. She went on to become the beloved student counselor at Lakewood High School in Marysville, WA. Julie retired from ITT Tech, where she was a top performing recruiter, receiving many recognitions and awards for her performance and service.

Julie was a very faithful and active member of the Immaculate Conception Catholic Church in Arlington, WA. Her ministries included: Eucharistic Minister, Faith Formation instructor, Dinners to Feed the Poor volunteer, Prayer & Picnic in the Rosary Garden leader, and chairing the street fair booth for the last two years. Julie had been passionately involved in the Kairos Prison Ministry for many years.

When Julie received her cancer diagnosis, she prayed that she would live her last days as an example of God's grace. Indeed she did…on Julie's last day, she became a Benedictine Oblate of Mt. Angel Abbey. Father Ralph Recker traveled from Oregon to Everett, WA, to officiate the unforgettable ceremony. "Well done, good and faithful servant".

Julie's love, kindness, and faithful heart will live on through her sons: Matt Leon of Aberdeen, WA, Mike Simpson (Melonique) of Arlington, WA, and Jeff Simpson of Bothell, WA. The delights of Julie's life were her grandchildren: Ahayla, Cyrus, Willow and Kamden. She is also survived by her parents; Gordon and Joan Martin; siblings: Sue Martin, Tracy Franklin (Ron), Mike Martin (Michelle), Jeff Martin (Julie), Rob Martin (Annie), Kris Reinhart (Kirby); 18 nieces and nephews who all claimed Julie as their "favorite" aunt; 13 great-nieces and nephews; aunts; uncles; cousins; Jerry Simpson; and so many dear friends.

A special thanks to Swedish Hospital, Hospice Care and sister, Sue. The tender loving care that was given to Julie will never be forgotten.

Celebration of Julie's Life will be on Thursday, April 25, 2019, at 1:00 p.m., at Immaculate Conception Catholic Church, 1200 East 5th St., Arlington, WA. Graveside service will be held on Saturday, April 27th, 10:00 a.m., at Wenatchee City Cemetery, 1804 N. Western Ave, Wenatchee. Memorials may be made to: CASHMERE CARES –No Child Left Behind, 210 S. Division Ave., Cashmere, WA. 98815

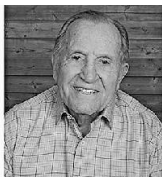
Col. Daniel Stewart Henshaw, Sr., 96 years old, died in Austin, TX on March 31, 2019. Dan was born June 9, 1922, in Raton Pass, NM and grew up in Long Beach, CA.



Colonel Dan had his first distinguished and highly decorated career in the Air Force flying C47s in WWII over Europe, B29s over Korea, B47s during that program, and B52s, becoming a Deputy Commander of Operations until retirement. His second career was serving his fellow man through volunteer works largely initiated by his beloved St Matthew's Church, including Angel House Soup Kitchen, Casa Marinanella, Austin Food Bank, Settlement Club, and Kairos Prison Ministry. He served as President of the Austin Habitat for Humanities, even volunteering up until shortly before his passing.

His egalitarian and inquisitive ways endeared him to all he met. He never met a stranger or a person he didn't like. He will be sorely missed.
Dan served with the Hughes Kairos Community.

Kairos of New York Receives Excellence in Chaplaincy Award

The New York State Council of Churches has bestowed the 2019 Excellence in Chaplaincy Award to Kairos of New York. The award was received by State Chair Phyllis Doane along with about 25 dedicated volunteers. Kairos International CEO Evelyn Lemly was also in attendance.

Reverend Peter Cook, Executive Director of the New York State Council of Churches stated, "Kairos offers a beautifully structured program which helps to enrich and redeem the lives of incarcerated men, women, youth, and their families." Reverend Cook went on to say, "Kairos reminds us that all people are created in the image of God and are capable of restoration and rehabilitation. People discover the restorative life of Christ through the relationships they build with one another and Kairos, through its thoughtful work, is a great facilitator of such restoration."

KAIROS TRAINING

Advanced Kairos Training is for Kairos Inside, Kairos Outside, and Kairos Torch volunteers who are in or will be in a Weekend leadership role, including Advisory Council or State Chapter positions, anywhere within the Kairos program.

Advanced Kairos Training gives the who, what, and why of the Kairos ministry. **Kairos policy requires that all Weekend leaders must have completed the entire training course 12 to 24 months prior to leading a Weekend.**

PRINCIPLE STATEMENTS CONCERNING ADVANCED KAIROS TRAINING EXPENSES

1. All Advanced Kairos Trainings are essentially free to any and all attendees. However, paying the expenses of an attendee for training is borne by the state sending its volunteers to a training in or out of its local state. This means that all Advisory Councils or State Chapter Committees should be budgeting for any training expenses deemed necessary for their future Weekend Leaders or other attendees that the Advisory Council or State Chapter Committee wants to attend.
2. Advisory Councils or State Chapter Committees should encourage their volunteers (who may have been used to paying out of their own pocket previously to a Host State) to make their donations to their local Advisory Council instead to help build the budget to allow for more volunteers to attend trainings.

Be Sure to Bring Your Program Manual With You to Training!

You must complete the entire Advanced Kairos Training in order to receive your certificate and become a Weekend Leader.
